Employment

UX/UI Designer, RisingUpTogether

Remote, UT

Spring 2022 - Current | Volunteer

Helped a small non-profit as a solo UX designer, working closely with the company's founder to redesign their existing website to better accomplish the mission.

- Worked closely with the Stakeholder to establish requirements and goals for the new webpage.
- Gathered and evaluated user requirements to effectively meet founders and user needs.
- Analyzed and incorporated user feedback in new website design.
- Create wireframes and mockups and redesign their brand logo.
- Prototype the new layout and conduct usability testing.

UI Designer, Big Red Jelly

Orem, UT

Fall 2021 - Spring 2022 | Internship

Worked with the web design team to design and build websites for clients' businesses to help them reach out to their audience.

- Work with company owners to evaluate needs for their website.
- Design UI of the webpage and branding including.
